BULL SALE

MONDAY

FEBRUARY 27, 2023

1:00 P.M.

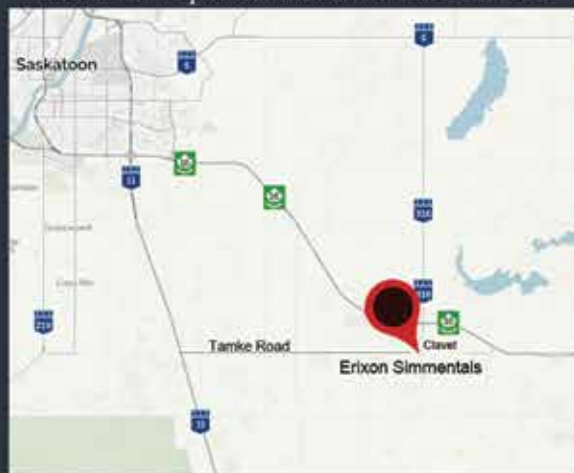

LOCATION:

at the farm Clavet, SK

From Saskatoon: 8 miles south
on Hwy 11; turn at Coop Cardlock
(Tamke Road); 7 miles east

From the south on Hwy 11: 11 miles north of
Dundurn on Hwy 11, turn at Coop Cardlock
(Tamke Road); 7 miles east

From Hwy 16: Take the Clavet west access
road, go 1 mile south to the "T"
intersection, turn east, go 1/4 mile, then
follow the speed curve south for 2 miles

Erixon Simmentals
can be found on Google Maps
under **Erixon Simmentals Inc.**

PLEASE JOIN US FOR LUNCH ON SALE DAY

On behalf of Dave, myself, Griffin and Holden, I would like to welcome you, our fellow seed stock producers and commercial cattlemen to the 2023 edition of the Erixon Simmentals Bull Sale.

The herd is built around strong cow families that have been consistent over the years. We believe in the power of the momma cow, and her ability to produce by utilizing forages. Cattle are our sole income and each and every cow on the farm must pull her own weight. Our bulls come to you out of the industry's leading A.I sires and some of our own walking bulls. We take great pride in striving to find exciting new and upcoming sires. We have invested heavily in semen packages over the years and are very happy with the results. We are excited to get the bulls out and working for our customers. We have something for everyone. Reds, blacks, white faced, heifer bulls, calving easy cow bulls, performance bulls and the list goes on. Please call us and we can discuss the bulls in detail with you. We took all the pictures in December and made sure to get a picture of each and every animal for your appraisal.

Our cow herd and bulls are on a full herd health and nutrition program through the University of Saskatchewan and Beef Smart Nutrition. The weaned bulls are developed on free choice hay and pail fed and then slowly transitioned onto a high roughage TMR ration that promotes growth and longevity. We feel that our bulls are well grown out and not carrying anymore condition than needed. At weaning the bulls are put out on a grass field west of the yard. They're sorted into their winter pens by the sale barn mid November.

If you can't make it to the sale we are more than happy to assist you in your purchase. Feel free to call Dave or I or any of the phone numbers listed for our sales staff. We have the full confidence in our sales staff and this is a free service to you. Not only are they here at sale time to analyze the bulls, they've seen them while they were sucking their dams. Your bids will be handled professionally and confidentially. The sale will be broadcasted live on dlms. We still highly encourage you to come see the bulls and use the services provided by our trusted sales management.

We look forward to hosting all our past, present and future customers at our sale facility on the farm. The bulls will continue to sell by live auction and ran through the sale ring for your appraisal. Join us for lunch prior to the sale and after for socializing, refreshments, snacks and live music. If you have any questions feel free to give us a call or stop by the farm anytime prior to the sale.

Cheers folks!
Krista

Sale Day Information

Sale Day Phones:

Dave Erixon	306.270.2893	Taylor Richards	306.821.4169
Krista Erixon	306.270.1263	Rob Voice	306.270.6082
Scott Bohrsen	403.370.3010	Martin Bohrsen	306.220.7901

Ringmen:

Rod McLeod..... 403.540.7986

Taylor Richards..... 306.821.4169

Delivery Options

Option A: \$50 off per lot if picked up sale day.

Option B: Free on bulls to central points in Saskatchewan, Alberta and Manitoba.

We insist all purchases be insured while at Erixon Simmentals. All bulls and females become the risk of the buyer once sold. Erixon Simmentals will provide the utmost care of the animals that return to the farm.

Semen Collection

Erixon Simmentals reserves the right to collect semen on any bull sold through this sale. The semen collection will be at Erixon Simmentals expense and the buyers convenience. Any semen collected will be for Erixon Simmentals in herd use only.

Win a \$2000 Sale Credit

Purchase a bull from any current Saskatchewan member, and when the registration papers are transferred, your name is entered to win a \$2000 sale credit! The draw will be made at the SSA's annual general meeting in July and the lucky winner will have one year to use the credit at any public auction or private sale on bulls or females purchased from any current SSA member.

Guarantee:

All animals will carry the standard breeding guarantee as specified by the Canadian Simmental Association. If a problem occurs with your purchase, please notify us as soon as possible. A bull of equal value and quality will be supplied or a credit given towards the purchase of another Erixon bull.

Sight Unseen Program:

Every year more bulls are purchased sight unseen because of the increasing number of repeat customers and the fact that people are busy. Please call us or our knowledgeable sales staff and we would be happy to discuss the cattle in detail with you.

U.S. Buyers

Erixon Simmentals will do necessary testing at cost for export on bulls and females.

Liability:

All persons attend the sale at their own risk. The seller and facility owner assume no liability, legal or otherwise for any accidents that occur

Insurance:

Offering

1 Extra Age Bull
45 Red Yearling Bulls
12 Black Yearling Bulls

Welcome fellow Simmental breeders and commercial cattlemen to the 2023 edition of the Erixon Simmentals Bull Sale. This year's offering is jam packed again with the quality you have come to expect from this great program and we are pleased to welcome you once again to the farm near Clavet for this annual event.

The Erixon Simmentals program is a name correlated to elite seed stock, great customer service and real world fundamentals. Their sharp eye, keen interest and strict criteria has molded their program to what it has become today and as you analyze this catalogue and study the bulls, you will see how consistent they are from front to back. A commendable feat only made possible by breeding true to their type for years. The Erixons have always held a heavy emphasis on frame, length and power while not sacrificing maternal traits. The 2023 offering is as deep in quality as ever with big bodied, sound structured, good footed bulls well represented across both the black and large red divisions. These bulls are hairy, good looking, real world beef bulls that will excel in any program and environment they are placed in. They are gently developed and bred for longevity to work and last for you, their valued customer. The strong commercial support seen year after year at the Erixon Simmentals Bull Sale is very impressive and speaks to both the quality of the stock available as well as the great customer service provided.

We really encourage you to plan to be with us on sale day to take in this great event. If you are unable to make it on February 27th, we would recommend trying at an earlier date to walk through the bulls with Dave and Krista to discuss your program and what bull(s) can best suit your needs. Be sure to call either of them at anytime to chat about the offering! If any of us at Bohrsen Marketing can be of any assistance, please feel free to reach out and take advantage of our free consultation and order buying services. We would be pleased to represent you in a confidential manner. We look forward to discussing this set of bulls with you!

Best regards,

The Bohrsen Marketing team

BPTG1356688
BOBE 197J
7 June 2021

197J is a transplant bull that comes to you with some extra age. He is a very solid and heavy muscled. He sure has a presence to him when he gets his head up and moving around. Erixon Lady 126Y was the anchor of our 2013 show string. She had many accomplishments throughout the year, with the grandest being named top 10 in the Royal Bank Cup Supreme at Agribition. 126Y was one of the most consistent, highest valued cows on the farm raising some top end progeny. The extra age bulls along with our other bulls see no creep during the grazing season.

Darlin' is writing her own history book in the Simmental breed! She is nearly flawless in her design and is admired by many throughout the beef industry. In the fall of 2021 2 full sibs to 5K and 11K were the lead off lots in Friday Night Lights bringing \$280,000 and \$60,000. The 2022 fall show run was dominated by Darlin' progeny. Her track record is unreal!

The highlights from the fall of 2022 Include:

Supreme Female at Armstrong
Supreme Female at Dawson Creek
Grand Champion Simmental Female at the National show at Toronto Royal
Supreme Champion Female at Lloydminster Ag Ex
Grand Champion Female at Edmonton
Grand Champion Bull at Edmonton
Supreme Champion Female at Edmonton Champion

Grand Champion Female at Agribition

Calving Ease. This Betts daughter has been a favorite of ours since she was a calf. She stems from a highly productive cow family that has sold numerous bulls through the sale. 24K has a 279 day gestation, a 70 lb birth weight and ranks in the top 15% for calving ease and top 5% for birth weight. He's an excellent candidate for your heifer pen.

Erixon Medicine Man 81K made quiet a few friends on the show road this fall. We are very excited about the future of this dark red young and upcoming herdsire. His full brother comes to you with a sharp white blaze and holds his own right at the top of the pen. They sit in the top 3% for WW and top 15% for YW. Erixon Pochahontas 126F herself combines two of the most influential red cow families in the Simmental business, IPU Pochahontas 68M and RF Scream 215Z. 126F is a new and upcoming donor in our program that has earned her right to sit in our donor pen.

We thought very highly of this young Horizon daughter the day we purchased her from Labatte Simmentals. So broody yet so much class and eye appeal would best describe this leading female. She comes out of an outstanding cow family, the Pocahontas 68M family. Boy, she did not disappointed us the first time around, raising Erixon Magnum 69D! He was a \$32,000 high seller that we A.I'd to ourselves. We are currently flushing a Erixon War Paint daughter of hers, Erixon Pocahontas 126F. She has 3 lots in the sale. Everything in this pedigree is put together right, but more importantly the look is there.

BOBE 155K
27 Jan 2022

Here is another State Of War son that will add frame and length to some moderate cows. 155K is progressing real well and will be a crowd favorite come sale day. We sold a maternal sib to 155K in Friday Night Lights in 2020.

Erixon Lady 41G – maternal sib

Take note that Lot 45's dam is a maternal sib to 141K. 178D is one of the nicest cows to look at on the farm. She's elegant necked, great uddered, capacious and just a beauty to look at.

Erixon Renown 19K – paternal sib

203F is a white faced daughter of the famous Sage cow. Sage has lifetime earnings of over \$500,000 in progeny and embryo sales. We purchased some embryos that were put in during the summer and that is how we got the resulting cow 203F.

11 Feb 2022

178K has been raised by another great cow who looks the part and can raise the good ones. A maternal sib sold in the prestigious Cobra event. We think the picture of his dam and maternal sib show you the depth of quality in his pedigree. If you want to raise females, make sure you mark this fellow down.

Sometimes we question whether or not we should catalogue the bulls by cow families. We strongly believe that a great cow family needs to stand behind any cattle purchase. 65Z is part of a great cow family!

We talk about cow families quite abit throughout this sale catalogue. We have always named all our females 'Lady' in the past and knew the cow families by their tattoo numbers. We are changing things up and have stated putting actual names to all the different cow families. This was a huge project as we had to trace family lines back for generations. This will make it easier for you to trace the cow families as the younger females come into production. Unfortunately we weren't able to rename the cows that are already in production.

ERIXON *Sad* 189K

PG1388679
BOBE 189K
20 Feb 2022

189K is a lower set, wide topped bull that is very easy feeding. He has a solid foundation from the ground up. He will add some stoutness to your cow herd as his dam is a big bodied cow. Just a reminder that he does have a February 20th birthdate.

41F is sired by Erixon War Paint. The War Paint daughters have proven to make exceptional momma cows. We do wish that we had more of them in the herd. He is a direct son of RF Scream 215Z who is one of the matriarchs of the breed.
